In order to rent a cart from Steve's U-Cart Concrete, you must first READ and AGREE to the following:

I agree that my vehicle is properly insured and meets the necessary requirements to pull the load, and that Steve's U-Cart Concrete, will not be held responsible if I choose to ignore the requirements. I understand that while the cart is connected to my vehicle, I and/or my insurance company are responsible for anything that may occur. I also agree that I will not disconnect the cart from my vehicle.

I agree to have the cart returned in normal working order, with NO damage, as soon as possible and in **3-hours or less** from the time I leave here. I understand that the late charges are **\$45 for every half hour** or portion thereof that I am late, and that the late charges **double** after regular business hours.

I agree to dispose of any unused concrete on my own. If I have no other options, I can unload the unused concrete at Steve's U-Cart Concrete **myself**, at no extra charge.

I agree to clean out the cart with a pressure washer or garden hose, as soon as the concrete has been emptied. I will spray the cart inside and out until **ALL** concrete is removed. If I do not clean out the cart properly, or if there is no way possible to get it cleaned out, I agree to pay Steve's U-Cart Concrete, a **Cart Cleanup Fee of \$25**. If the cart is not cleaned properly and I am past my 3-hour time limit, extra charges will apply.
